

LawTrustSwiss

YOUR GOALS, OUR INSTRUMENTS

EXCELLENCE AND HARMONY IN ALL WE DO!

Professional Directors, Trustees, Protectors, Advisors,
Accountants, Administrators in Switzerland
and beyond.

OUR SERVICE

For you

We provide trust, corporate, advisory and structuring services, delivering bespoke structures and administration approach to international clients including multinational companies, entrepreneurs and ultra-high-net-worth families.

We are based in Switzerland, but able to operate on a global scale through our trusted partners in various jurisdictions.

As an independent firm, we have the ability to make decisions quickly and have a complete freedom to choose the right partners from variety of legal firms, banks, and investment houses that we work with in line with our clients' individual requirements

We are an owner run business with many years of experience in the industry and possessing professional qualifications as accountants, trust and estate practitioners, lawyers and chartered secretaries providing the necessary expertise.

We are interested in supporting clients to expand into new markets, to conduct business efficiently, to capitalize and enhance opportunities, protect their investments and pass wealth to next generations.

All our clients are important and will never be a "one off".

We keep you moving forward. We build our relationship to last.

WHAT WE CAN DO FOR YOU OR YOUR CLIENTS:

CORPORATE – Whether you already have a running business and would like to move forward; or if you need to start from the ground up – challenging your business goals will be our prerogative.

Operating in different jurisdictions means dealing with local laws and processes. We are a local team of experts for your business. Responsive and Experienced. Whatever size your business is or whatever sector you operate in, we have the experience to work with you effectively.

PRIVATE - You could be a family patriarch or matriarch, a senior member of a multi-generational family, an owner of a family business, an investor in private capital – or any number of these. Your requirements are individual and varied as your interests.

Safeguarding your investments now and for the next generation of your family are top priority for you. We listen to you and your advisers and shape our services around your needs and those of your family.
